

SPECIAL EDUCATION - ANNUAL NOTICE AND SECTION 504

We are dedicated to the belief that all students can learn and must be guaranteed equal opportunity to become contributing members of the academic environment and society. CAAT provides special education instruction and related services in accordance with the Individuals with Disabilities in Education Improvement Act (“IDEIA”), Education Code requirements, and applicable policies and procedures of the El Dorado Charter SELPA. These services are available for special education students enrolled at CAAT. We offer high quality educational programs and services for all our students in accordance with the assessed needs of each student. CAAT collaborates with parents, the student, teachers, and other agencies, as may be indicated, in order to appropriately serve the educational needs of each student.

Section 504, CAAT recognizes its legal responsibility to ensure that no qualified person with a disability shall, on the basis of disability, be excluded from participation, be denied the benefits of, or otherwise subjected to discrimination under any program of CAAT. Any student who has an objectively identified disability which substantially limits a major life activity, including, but not limited to learning, is eligible for accommodations by CAAT. The parent of any student suspected of needing or qualifying for accommodations under Section 504 may make a referral for an evaluation to the Principal. A copy of CAAT’s Section 504 policies and procedures is available upon request.
