

DIABETES

The Charter School will provide an information sheet regarding type 2 diabetes to the parent or guardian of incoming 7th grade students, pursuant to Education Code Section 49452.7. The information sheet shall include, but shall not be limited to, all of the following:

1. A description of type 2 diabetes.
2. A description of the risk factors and warning signs associated with type 2 diabetes.
3. A recommendation that students displaying or possibly suffering from risk factors or warning signs associated with type 2 diabetes should be screened for type 2 diabetes.

4. A description of treatments and prevention of methods of type 2 diabetes. 5. A description of the different types of diabetes screening tests available. A copy of the information sheet regarding type 2 diabetes is available at:

<https://www.cde.ca.gov/ls/he/hn/type2diabetes.asp>. Please contact the office if you need a copy of this information sheet or if you have any questions about this information sheet.

Please contact the office if you need a copy of this information sheet or if you have any questions about this information sheet. The Charter School will provide an information sheet regarding type 1 diabetes to the parent or guardian of a student when the student is first enrolled in elementary school, pursuant to Education Code Section 49452.6.

The information sheet shall include, but shall not be limited to, all of the following:

1. A description of type 1 diabetes.
2. A description of the risk factors and warning signs associated with type 1 diabetes.

3. A recommendation that parents or guardians of students displaying warning signs associated with type 1 diabetes should immediately consult with the student's primary care provider to determine if immediate screening for type 1 diabetes is appropriate.
4. A description of the screening process for type 1 diabetes and the implications of test results.
5. A recommendation that, following a type 1 diagnosis, parents or guardians should consult with the pupil's primary care provider to develop an appropriate treatment plan, which may include consultation with and examination by a specialty care provider, including, but not limited to, a properly qualified endocrinologist. A copy of the information sheet regarding type 1 diabetes shall be made available by the CDE, on the CDE's website.
